TO WHOM IT MAY CONCERN

Ruthven Gangemi and Associates have used the services of D'Angelo Legal for over 5 years. As accountants, our clients are constantly requesting the services of a good lawyer. Over the years we have confidently referred our clients to Paul D'Angelo to assist with Wills, property settlements, leases and general business issues.

Having a good lawyer is essential for any business. Speaking to Paul prior to entering into contracts or leases can save thousands of dollars in legal fees should something go wrong. Paul has also worked in conjunction with Ruthven Gangemi and Associates to help our small business clients setup their business structure to maximise their asset protection and minimise their tax liabilities.

We highly recommend D'Angelo Legal to anyone seeking quality legal advice.

Yours faithfully
