Dear Paul

I just wanted to personally take the time to thank you for the assistance and advice you gave to my clients recently.

On all three occasions I was suitably impressed with your depth of knowledge, ability to understand the clients personal situation and the professionalism displayed by your firm at all times. I pride myself on providing exceptional service to my clients and so when I refer a client to an external party, the service provided by that party then becomes a reflection on me making it imperative that I have full confidence when making a referral. Your firm gives me such confidence and I will have no hesitation in recommending your services to my clients in the future.

Yours faithfully

SHANE SCOTT
