I am very please to recommend DÁngelo Legal. Paul has given me excellent advice and has resolved a number of complex legal issues. He has thoroughly explained lease documents and resolved several situations via telephone calls or letters rather than expensive court cases.

As further testimony I have referred Paul to a number of friends and colleagues on a variety of corporate law issues and all are very pleased with the advice given and his results achieved.

A handwritten signature in blue ink, appearing to read 'P Mavor', written in a cursive style.
