RE: PAUL D'ANGELO

As a financial planner I have been referring my clients to Paul D'Angelo of D'Angelo Legal for over 4 years for their estate planning requirements which is a pivotal part of the whole financial planning process. All my clients have been very happy with the friendly advice and service provided. Many have gone onto use Paul in the property and sale/purchase of business transactions and once again they have been impressed with his knowledge and professionalism.

I will continue to recommend Paul to my clients.
